NOT FOR PROFIT ORGANIZATION'S

1-Mobile food vendor permit fee will be waived once we receive the following information.

A-The name and address of the organization.

B-A brief statement of the religious, educational, civic patriotic, charitable, or fraternal purpose for which the proceeds shall be used.

C-The names, addresses, locations of the vendors and the dates during which they will sell.

DAYS AND HOURS OF OPERATION

1-Food trucks and trailers and vendors who holds a single-event permit may operate only on the days of the event (parade, festival, etc.) 7 AM till 10PM the day of the event.

2-For yearly permit holders, hours of operation shall be limited to 7 AM till 10PM daily.

Insurance and Liability

Food truck /trailers and tent vendors shall at all times during the effective date(s) of their permit, maintain general liability insurance coverage on their operations and facilities.

Definitions

Food Truck or readily movable Trailer: is a licensed mobile vehicle or trailer food unit that is temporarily utilized on a privately owned piece of property where food items are being sold to the general public.

Food Vendor: is where food/beverage is being sold to the public from a truck, trailer, tent or in an open area.

Push Cart: A mobile cart from which food or other goods are sold.

Food Truck Regulations

1-A permit/inspection shall be required prior to operation.

2-Permit should always be posted in a visible location on the food truck or trailer or on site.

3-Food vendor shall have the signed approval of the property owner for each location at which the food vendor operates. This approval must be made available with the permit application.

4-Food Vendor shall provide documentation of approval from the North Carolina Department of Health. A valid health permit must be maintained for the duration of the food vendors permit and shall be posted in a location for the public inspection.

5-No Food Vendor shall operate on or from a public street. (except at festivals).

6-The Food Vendor shall be at least one hundred feet from existing restaurants

during its hours of operation unless the food vendor has permission from restaurant owner.

7-A trash container must be provided. Food Vendor shall be responsible for daily clean-up and proper off-site disposal of all trash and litter produced. Grease and liquid waste shall not be disposed of in any lawn areas, storm drains, sanitary sewers, or on public streets or parking areas.

8-Temporary connections to electrical & water connections shall be in accordance with the State Building Code.

9-Food Vendor shall not operate as a drive-in window.

10-No signage shall be allowed other than signs permanently attached to the Food Vendors truck or trailer. Free standing board signs are allowed only within the permitted area not to exceed 20 square feet in size.

11-Food Vendors must have the following Fire Extinguisher on board during hours of operation; minimum Class 2A, 10B, C rated extinguisher. If food preparation involves deep frying, a class K fire extinguisher must also be available. (NFPA) standards shall be met to include fire extinguisher and suppression hood systems shall be maintained.

12-Food Vendors shall be positioned at least 20 feet away from any fire hydrants, fire department connection, utility box or vault. The food vendor shall not locate within any area of a lot that impedes, endangers, or interferes with pedestrian or vehicular traffic. A food vendor shall not impede ingress and egress from driveway entrances, handicapped parking spaces & ramps, building entrances and exits.

13-Food Vendor truck, trailer and equipment shall be removed from the premises daily, (except festivals, and special events).

14-Sales of alcoholic beverage, tobacco products, fireworks, firearms, ammunition or products requiring ABC LICENSE AND PERMITS must have all the proper license and permits.

SUSPENSION OF PERMITS

1-The permit issued for the food vendor may be revoked if the vendor violates any of the provisions contained in this article.

2-The Town Manager or Permit Issuer may revoke a permit if they determine that the vendor's operations are unsafe, causing parking, traffic congestion, or litter problems either on or off the property where the use is located or that such use is otherwise creating a danger to the public health or safety.

FIRE CHIEF/INSPECTOR
